

**Press Release 9 December 2016**

## **APM Terminals Inland Services, South Asia wins the 'Logistics Excellence Award' at the Lloyd's List Awards**

**Mumbai, India** - APM Terminals Inland Services, South Asia has been named the winner of the coveted 'Logistics Excellence Award' at the prestigious Lloyd's List Middle East and Indian Subcontinent Awards 2016 ceremony in Dubai on 7<sup>th</sup> December. This award was conferred on APM Terminals Inland Services, South Asia in recognition of its commitment to setting new benchmarks in inland logistics, new investments to achieve operational efficiencies, technological advancements and innovative integrated solutions while focusing on safety. The panel of judges also recognized APM Terminals Inland Services for their management of biodegradable material in long-standing containers and appreciated its commitment to sustainable operations.

"Through our inland logistics solutions, we have been committed to constantly strengthening our customer partnerships through safe operations. Our customer solution plans in 2016 enabled us to successfully offer progressive services, lead with innovation and lift India's global trade. This award is a proud moment for our people whose dedication defines our service every day. We would like to thank our customers and stakeholders for choosing us as their logistics partners" – said Ajit Venkataraman, Managing Director, APM Terminals India Pvt. Ltd.
